WELCOME TO WEST BOHEMIA TOUR 2025

We are proud to present the second edition of the professional cycling race West Bohemia Tour, which will once again take place in the Plzeň Region in 2025.

Following a successful debut in 2024, the race attracted teams of international calibre. Among the starters were development squads of WorldTour and ProTeam outfits well-known from the Tour de France, including Lotto Dstny Development Team, Soudal – Quick-Step Devo Team, Uno-X Mobility Development Team, and Tudor Pro Cycling Team U23. The UCI 2.2U classification—reserved for the world's top under-23 riders—continues in 2025 to draw elite development teams and young talents from across the globe.

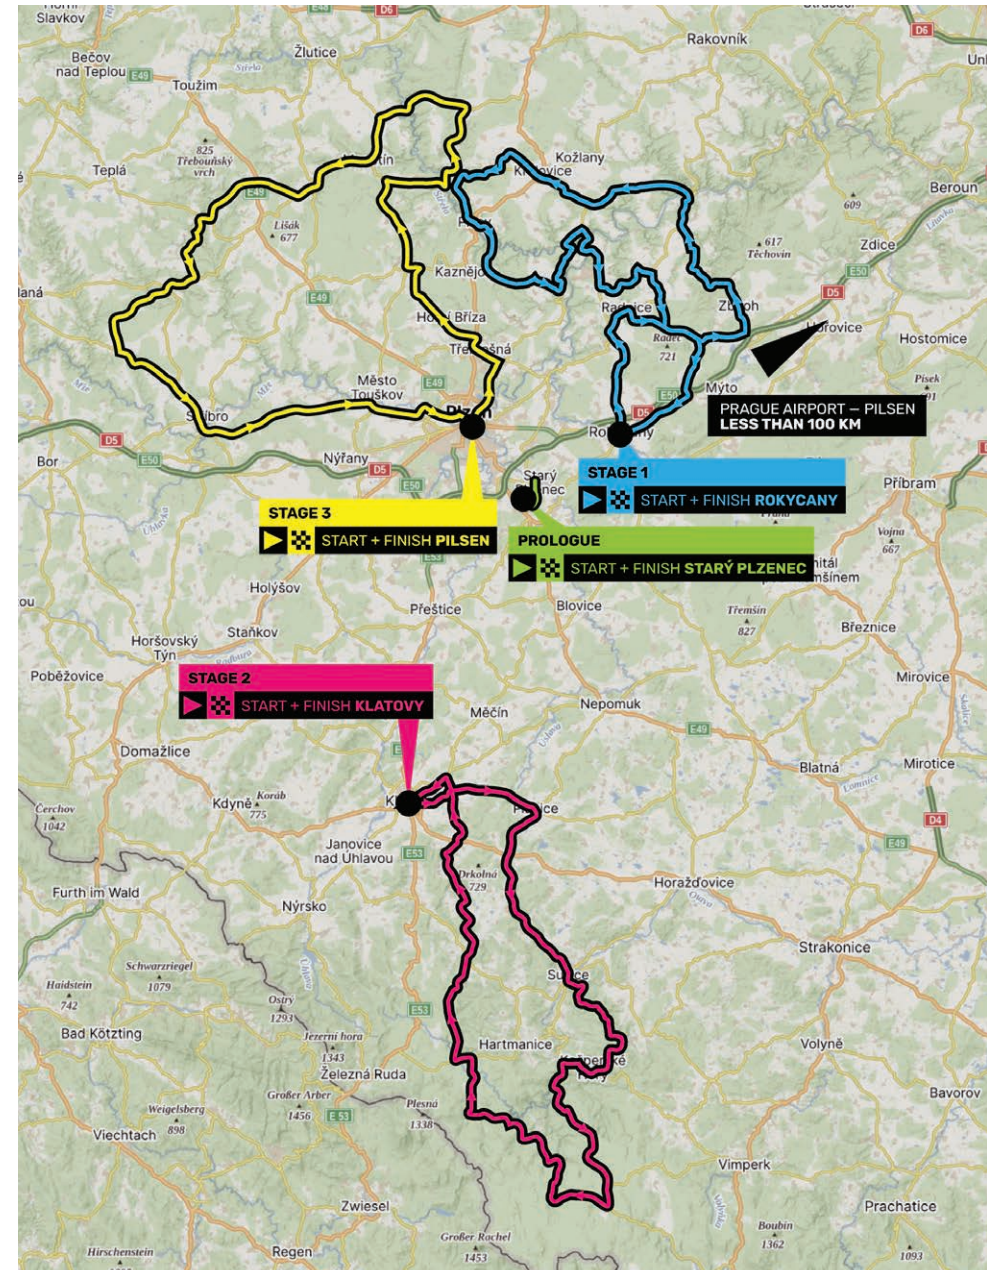

The four-day stage race will kick off with a prologue from Starý Plzenec to the medieval Radyně Castle, followed by three road stages, each beginning and ending in the same host city: Stage 1 in Rokycany, Stage 2 in Klatovy, and the decisive final stage in Plzeň, where riders will roll out from the historic gates of the brewery.

The course has been carefully designed to showcase the natural beauty and cultural heritage of the West Bohemia region. It connects historic towns and picturesque landscapes while offering a challenging and diverse terrain that will test the riders' full range of skills—from climbing to technical handling and team strategy.

The West Bohemia Tour is not only a high-level sporting event, but also a cultural celebration and a platform to highlight the traditions and identity of Western Bohemia. Accompanying programs in the host cities will provide entertainment for locals and visitors alike, and offer valuable opportunities for partner activations and brand visibility.

We warmly invite everyone to be part of this prestigious event that merges world-class cycling with the unique atmosphere of the Czech Republic's western heartland!
